Placid Waters

7 Flamingo Rd, Sedgefield.

GPS Co-ordinates: S34d00.856 E22d47.978

Garden Route

Near Myoli Beach, which means place of happiness, this resort is great for fishing and swimming. With the entire resort facing the Swartvlei, Placid Waters is all about the water. There are canoes, paddle-boats and even bikes for hire at the resort, but for larger boats you need to go a little further afield. Just 3km away is the Groenvlei fresh water lake which boasts an abundance of large mouth bass and tilapia.

Hiking Trails in the area include the Jubilee Creek Trail to a waterfall in the forest. The Half Collared Kingfisher Trail near Wilderness is a little more strenuous and can be combined with a 5km canoe paddle!

When hunger sets in and the urge to braai or cook is gone, stroll over to Montecello's Steak House or the Italian Trattoria Da Vinci (a restaurant with a fantastic evening atmosphere) or just 2km away is the Sedgefield Arms - a lovely English style pub.

Suntide Lodge – Qunu Falls is a fabulous getaway. Pride of the resort is the friendly peacock on patrol. If you're lucky, he'll come and knock on the door of your self-catering chalet. He's not the only strange bird in the area though. The very rare, almost extinct Blue Swallow nests in the area. In fact, the area is a bird-watcher's paradise with over 160 species nesting in the forest and surrounding hills.

There are four hiking trails on-site, to grasslands and waterfalls. Enjoy guided walks in the surrounding area. Guided horse rides are also available from the resort. Which is great way to enjoy the forests around the resort.
